Subject: NESHAP for Reciprocating Internal Combustion Engines (40 CFR 63, Subpart ZZZZ)
Initial Notification of Applicability

Dear Director:

Pursuant to 40 CFR 63.6645(a)(2) and 40 CFR 63.9(b), Rappahannock Electric Communications is providing the Initial Notification of Applicability for the facilities listed below which it owns and operates. All these facilities are considered area sources of HAP emissions.

See Attached Sheets.

Based upon prior use and current contractual obligations, these units are classified as non-emergency RICE. However, upon evaluation of projected future operation, Rappahannock Electric Communications will retain the right to re-classify any or all of these units based upon appropriate documentation consistent with the rule.

If you have any questions concerning these notifications, please contact

Sincerely,

Butch Williamson
Energy Services Coordinator
